¹“Number of Students Who Began Program” is the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

²“Students available for graduation” is the number of students who began program minus the number of “Students unavailable for graduation,” which means those students who have died, been incarcerated, or called to active military duty.

³“Graduates” is the number of students who completed the program within 100% of the published program length.

⁴“Completion Rate” is the number of Graduates divided by the Number of Students Available for Graduation.

⁵“150% Graduates” is the number of students who completed the program within 101-150% of the published program length.

⁶“150% Completion Rate” is the number of students who completed the program in the reported calendar year within 101-150% of the published program length divided by the Number of Students Available for Graduation in the published program length period.

1“Number of Students Who Began Program” means the number of students who began the program who are scheduled to complete the program within the reporting calendar year.

2“Number of Graduates” is the number of students who have completed the program within 100% of the published program length.

3“Graduates available for employment” means the number of graduates minus the number of graduates unavailable for employment. “Graduates unavailable for employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

4“Graduates employed in the field” means graduates who are gainfully employed in a single position for which the institution represents the program prepares its graduates within six months after a student completes the applicable educational program. For occupations for which the state requires passing an examination, the period of employment shall begin within six months of the announcement of the examination results for the first examination available after a student completes an applicable educational program.

5“Placement Rate is calculated by dividing the number of graduates employed in the field by the number of graduates available for employment.

Note: If you have any further questions or if you want a list of employment positions determined to be within the field for any specific program for which statistics are reported above, please speak with an Admissions Representative or see the School Catalog.

*If applicable: License examination passage data is not available from the state agency administering the examination. We were unable to collect data from XX graduates.

¹Number of Students Taking Exam is the number of students who completed the program within 150% of the published program length and who took the exam in the reported calendar year for the first time.

²Number Who Passed First Exam Taken is the number of students who took and passed the licensing exam in the reported calendar year on the first attempt.

³Passage Rate is calculated by dividing the number of graduates who pass the exam the first time that they take it by the number of graduates who took the licensing exam for the first time after completion of the program.

1. "Graduates available for employment” means the number of graduates minus the number of graduates unavailable for employment. Graduates unavailable for employment means graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

2. "Graduates employed in the field” means graduates who are gainfully employed in a single position for which the institution represents the program prepares its graduates within six months after a student completes the applicable educational program. For occupations for which the state requires passing an examination, the period of employment shall begin within six months of the announcement of the examination results for the first examination available after a student completes an applicable educational program.b

3. Salary is as reported by the student. Not all graduates reported salary.

*Note:* The data reflected on the above charts was gathered using at least one of the following methods: Graduate Surveys, Employer Surveys, Phone Calls, Education Development Department (EDD) and State Licensing Agencies.
