AMBASSADOR OF THE MONTH RECOGNITION AWARD

Our July Ambassador of Month is Front Desk Receptionist **Anissa Godby.**

Anissa joined CNI on October 24, 2011 as a part-time receptionist though quickly moved to full time status as one of our all important reception desk impressionists. Described as a "can do" person (the word "no" doesn't even exist in her vocabulary), she does everything with a smile and willingness to make positive changes at CNI College.

Also quick to provide assistance to anyone in need, Anissa is always available to cover for others especially if they're called off to handle other responsibilities. Most recently, she has been assisting us with the testing of potential students. And we could not be more proud of her growth and professionalism. Congratulations Anissa for rising for every occasion and for making such a difference for us all here at CNI College.
